

Contextual Analysis Project Checklist

- Inquiry question & Contextual Analysis Map
- Project Proposal & Three Rhetorical précis
- Draft #1
- Draft #2
- Your peer review of a colleague's project
- Draft #3: Final

In the final draft:

- Topic is *sufficiently contextualized*: who cares about this topic? Why is it relevant?
- Thoughtfully contextualized: **the people on your contextual-analysis map are carefully represented**
- Elegant integration of credible sources drawn from scholarly, popular, and WWW sources
- Elegant integration of the *OED*
- Sophisticated visual and logistical coherence
- Meaning-making effort – i.e, the “so what?” question.
