Philosophical Inquiry

Learning Outcomes

Students will be able to:

- Address, critically think about, and analyze philosophical questions and problems, using multiple perspectives.

- Evaluate philosophical questions, issues and/or problems using informed judgment.

- Analyze and interpret the methods used by philosophers in addressing philosophical questions, issues, and/or problems.

- Develop an understanding of the historical context of philosophical topics, figures, and texts.

- Write an analytic essay treating a philosophical question, issue and/or problem that forwards an identifiable thesis, argument, and conclusion.
