Senior Year Capstone

Learning Outcomes

Students will:

- Be able to provide students with opportunities to draw selectively on the wide range of different Liberal Studies courses they have taken, in ways that will illuminate what they have learned in their major programs.
- Be able to pull together the work of their major.
- Be able to combine the work of their major with other Liberal Studies courses and concepts.
- Be able to apply one or more theories or concepts from courses within their major to an analysis of a particular issue relevant to the major.
- Be able to discuss an idea, method or concept from a discipline outside their major field of study to an analysis of a particular issue relevant to their major field of study. This may include identifying perspectives and/or values of the major field, and comparing them with those of one or more disciplines outside the major.
