New Student & Family Engagement

Learning Outcomes

Students who participate in New Student and Family Engagement programs and activities:

• Will utilize appropriate academic and social resources to navigate their transition to DePaul.

• Demonstrate critical thinking and communication skills that enable them to help new students navigate their experience at DePaul.

• Will be able to articulate their individual responsibilities and roles in the DePaul community.

• Evaluate their personal identity and respect the diverse perspectives of others.

• Will reconcile personal and institutional values and use this knowledge to create a sense of community for students at DePaul.
