Office of Multicultural Student Success

Learning Outcome

Students who engage in Office of Multicultural Student Success programs and services:

- Will demonstrate effective decision-making related to personal financial management.
- Will demonstrate health decision-making related to effective self-care.
- Will identify and use relevant campus resources in order to navigate their academic experience.
- Will apply the concepts of Socially Responsible Leadership in order to challenge oppressive systems and behaviors and work to create change.
- Will construct a career plan towards post-college career success.
