Vincentian Community Services Office

Learning Outcomes

Students who participate in Vincentian Community Service Office programs will:

- Demonstrate their Vincentian responsibility in systematic change at individual, community, and global levels.

- Commit to an intentional community with the understanding of how community relates to sustainable engagement and their ability to influence meaningful social change.

- Articulate their own faith and/or spiritual growth in relationship to serving with the marginalized.

- Demonstrate knowledge of the lives of Vincent de Paul, Louise de Marillac, and Frederic Ozanam and articulate connections between the Vincentian legacy and their own life experience.
