

# Difficulties as writing instructors in classes

teaching them to  
think

respond, participate  
in class discussions

have to sell the  
enthusiasm  
for writing

getting students to  
be prepared for  
class

- texts that challenge & inspire.
- better models, especially academic texts.
- how to encourage & inspire students to think & read.
- how to get students to talk about writing.
- how to get students to write.
