65587	I really learned a lot from the class, and the subject was really interesting. I really enjoyed working in the project.
65634	Simply put, this is by far the best course I've taken at DePaul during the course of my MBA career (half-way done with the program). I think it should be required for all marketing majors - without a doubt, internet marketing is the future of this industry. I'm honestly very surprised it isn't required already.
