Training

Read the documentation. You are required to register for a Training Program. See the listing of several programs available. Select one in your area. Note that some of the Programs are group specific and some are Spanish only. Sign up for one of the workshops convenient for you as soon as possible. Bring the certificate of attendance to your partner school upon your first visit.

Also, note that you have to complete the following: background check, fingerprint application, DCFS form and Code of Conduct form.
