

Primary Source Activity: Thinking Triangle

Follow directions below to record thoughts about the source using the Thinking Triangle.

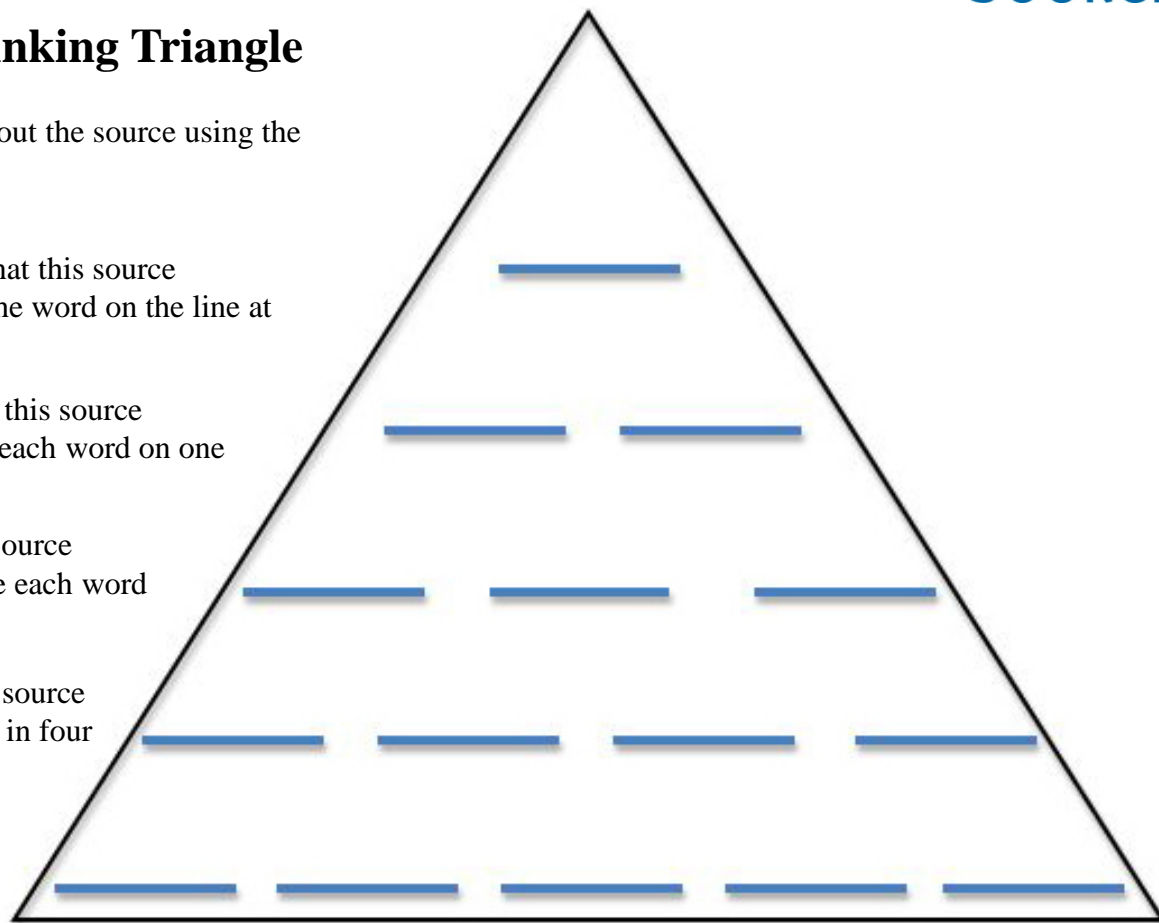

Row 1 (Who/What?): Think about who or what this source represents and describe it in one word (write the word on the line at the top of the triangle).

Row 2 (When?): Think about the time period this source represents and describe it in two words (write each word on one line in the 2nd row).

Row 3 (Where?): Think about the place this source represents and describe it in three words (write each word on one line in the 3rd row).

Row 4 (How?): Think of a How question this source answers, then write the *answer* to the question in four words (one word on each line in the 4th row).

Row 5 (Why?): Think of a Why question this source answers, then write the *answer* to the question in five words (one word on each line in the 5th row).
